

You Want Me To Stay How Long?! Time Matters

January 13, 2021
10:00am - 12:00pm EST

COMPLIMENTARY
ZOOM
WEBINAR

Speaker John Williamson, CAC – *Clinical Outreach, Willingway*

About the Webinar

This course will be an overview of how to assess and prepare addiction clients and their family members for referrals to extended levels of care. The presenter will present criteria that warrants recommendations for extended levels of care as well as common barriers that hinder treatment recommendation compliance. The presenter will also identify characteristics of treatment options in order to match clients to appropriate levels of care and scope of service.

Objectives

- List criteria that indicate a client is appropriate for extended treatment recommendation
- List questions that need to be asked and answered when identifying qualified extended treatment programs
- Anticipate, list, & answer the top 3 questions clients and families will ask when recommended for extended treatment.
